

Academic Affairs Council Report - Committee# I Date: 11/1/07

#	Item	Nature of Request	Recommendation	Comments
7	Course Prerequisite Change ENG1113 and 1213	Include ENG1113 and 1213 as prerequisites to writing intensive courses	Approved by the committee	Academic Affairs must be sure that the “system” will catch any “hidden prerequisites” in various majors/minors regarding this request
8	Course Title and Prerequisite change ENG4153	Changes ENG4153 from “Victorian Poetry and Prose” to “Victorian Literature” and deletes the 15 hours of English literature prerequisite	Approved with clarification	In item 15, the assumption is made that students will have completed 15 hours that focus on literary, cultural and esthetic analysis among other presuppositions. How will these assumptions be substantiated given the removal of the 15 hour English literature prerequisite?
9	Course Title and Description change ENG4173	Changes ENG4173 from “Romantic Poetry” to “The Romantic Imagination” and a change to the course description	Approved	
41	Program GPA Requirement Change Chemistry major	Require that students have a “C” grade in all major coursework as well as an overall 2.25 GPA	Approved	Request will bring it’s GPA requirements in line with those currently in force for Forensic Science
42	Program GPA Requirement Change Chemistry- Health Sciences	Require that students have a “C” grade in all major coursework as well as an overall 2.25 GPA	Approved	Request will bring it’s GPA requirements in line with those currently in force for Forensic Science
43	Program GPA Requirement Change Chemistry- ACS Certification	Require that students have a “C” grade in all major coursework as well as an overall 2.25 GPA	Approved	Request will bring it’s GPA requirements in line with those currently in force for Forensic Science
